SURVEY SAYS...

When given a choice
between Safe 'N Sound®
or hollow core doors,
**100% OF CUSTOMERS
PREFER SAFE 'N SOUND.***

Ask your representative
how to upgrade to a
Safe 'N Sound door.

*Qualitative research conducted in 2013.

5 year
warranty

**CAN YOUR DOOR PASS
THE KNOCK TEST?**

The easiest way to tell
if your door is hollow or
solid is to simply knock
on it. You'll hear—and
feel—the difference
immediately.

Safe 'N Sound doors

**Quiet
a home**

more than
hollow core doors

Solid core doors
**add more
value to
a home**
than standard
hollow core doors

Offers the
**durability,
heft & feel
of real wood**

**1-3/4"
THICK**

fire-rated options

**Green at
HEART**

The core of our Safe 'N Sound
door is engineered from
wheat straw, an annually
renewable resource.

BELLAGIO®
2 arched panels

CAPRI®
2 square panels

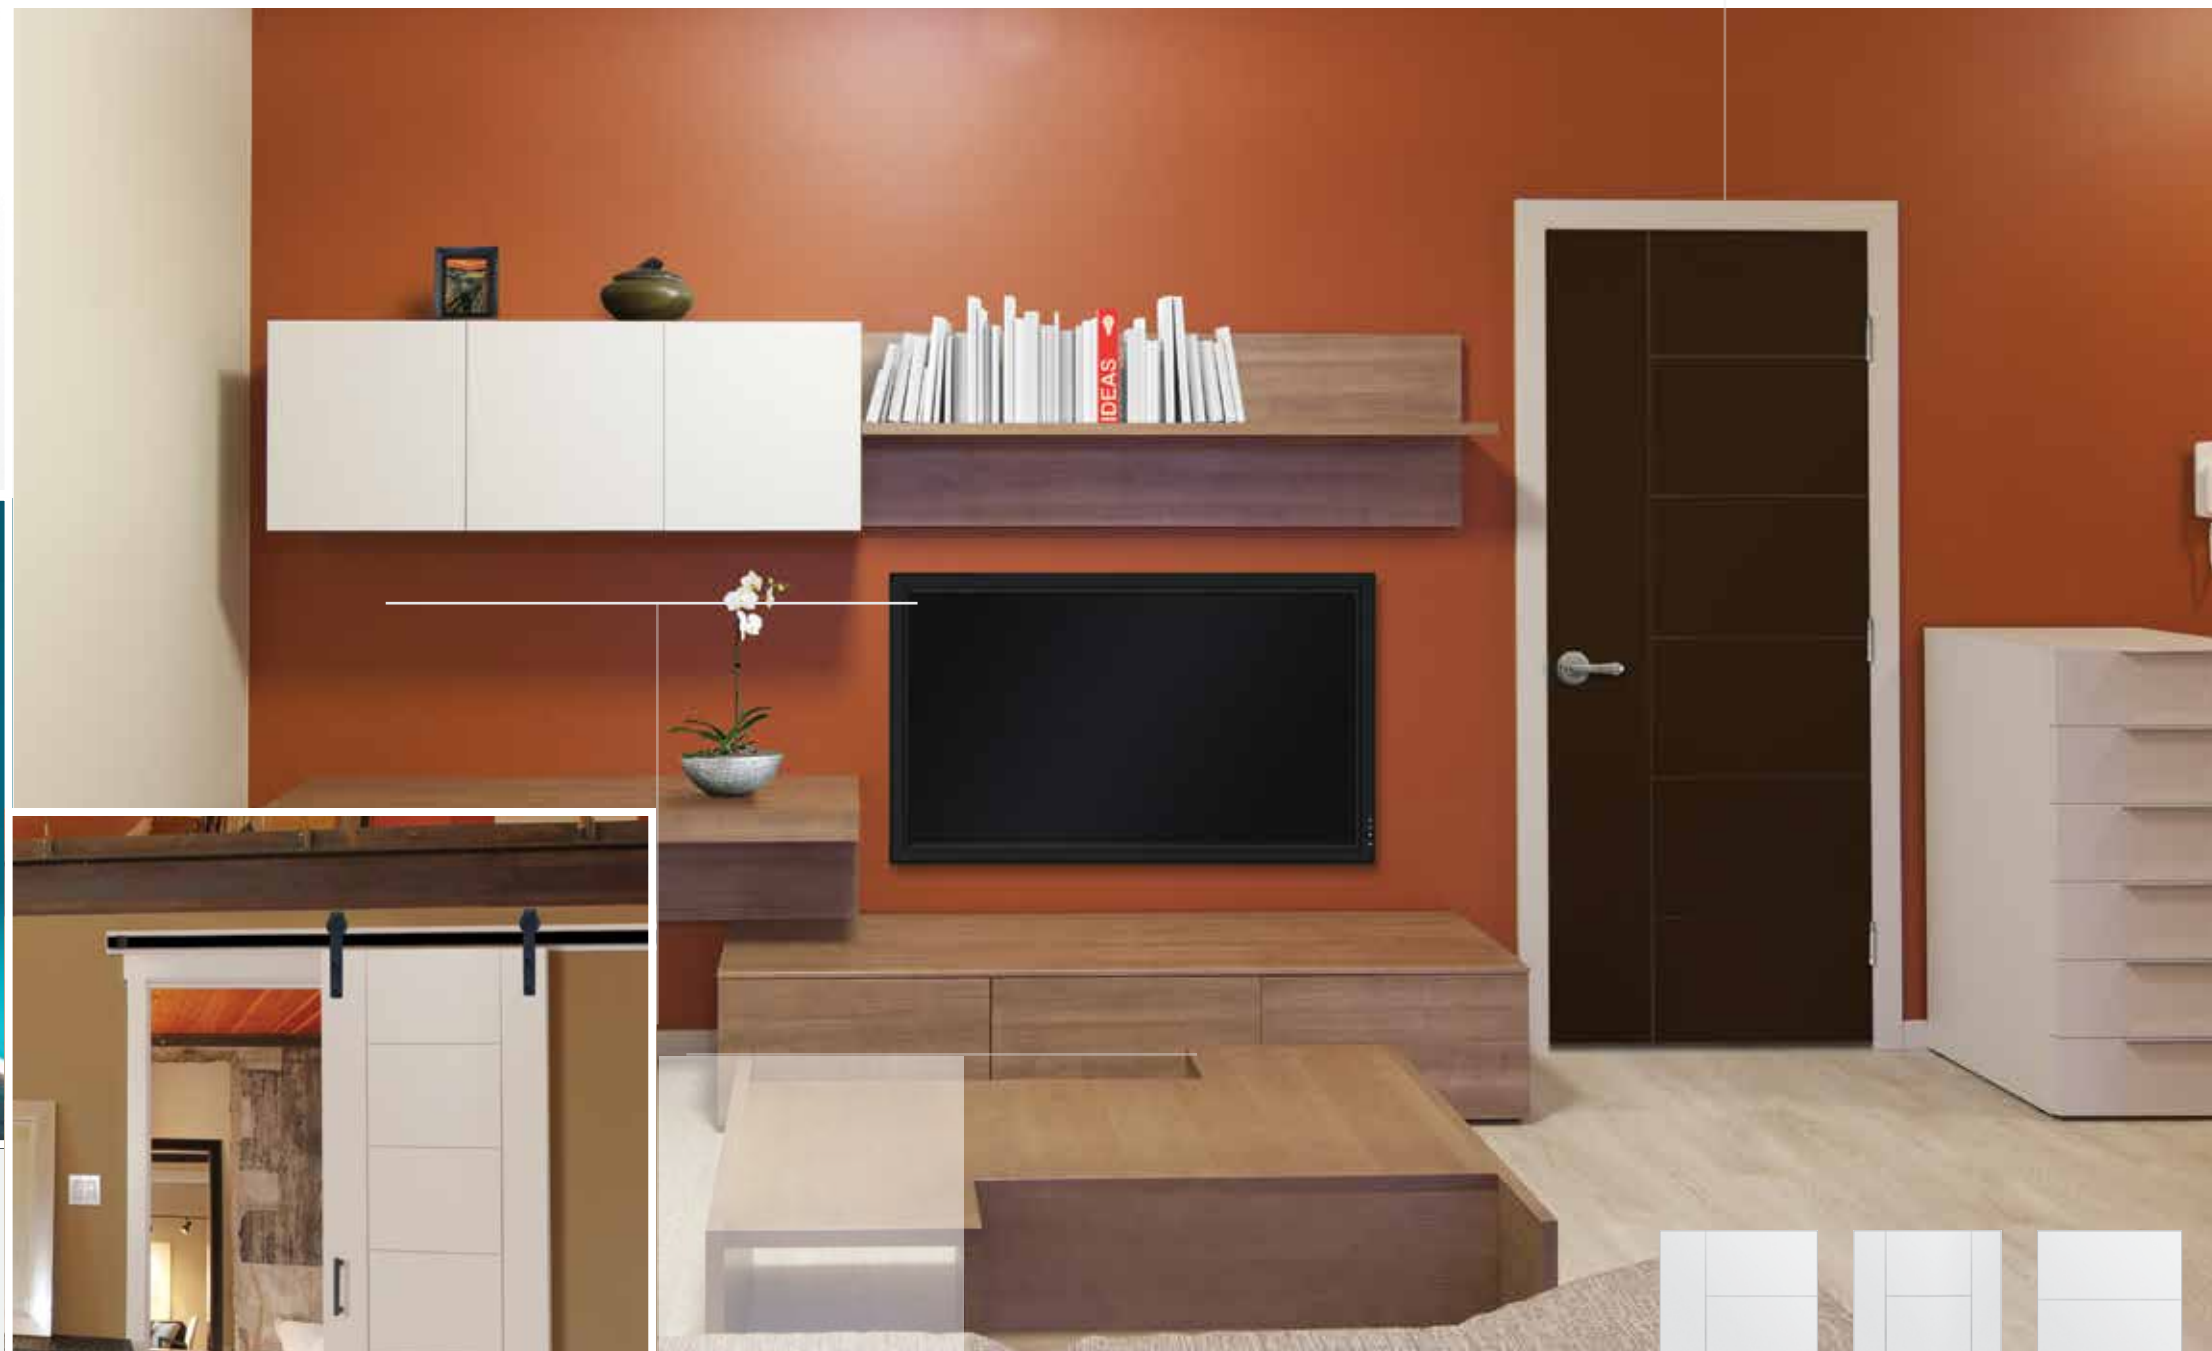

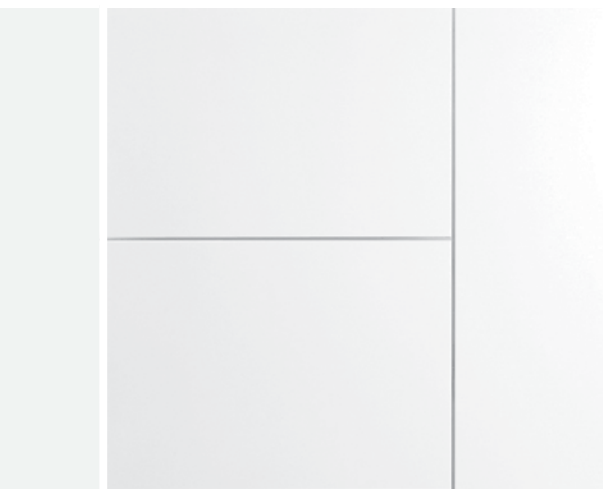

TREVISI®
3 panel camber-top

Palazzo Series®

- European style raised panels with smooth surface, ready to paint
- Engineered with Masonite's Component Construction for maximum performance
- Resists warping, shrinking and cracking

West End Collection®

- Modern designs complement a variety of décors
- Available in Safe 'N Sound®, see page 21 for details
- Emerald® "green" specification offered for all styles with matching bifolds, see page 21 for details

Masonite's sliding door track system is space saving, easy to install and features ball bearing rollers to allow your doors to open & close quietly.

See page 21 for our Barn Door Hardware

NEW Heritage® Series
